Traffic Advisory ***Temporary Lane Closure of I-395***

The Baltimore City Department of Transportation today announced temporary lane closures of I-395 from Conway Street to Martin Luther King overpass.

Beginning tonight from 7:00 p.m. until 5:00 a.m. tomorrow morning, I-395 will be reduced to one lane. Lane shifts will occur with one lane remaining open at all times. The lane closures are necessary to accommodate road work.

Motorists traveling in the area are advised to proceed with caution and pay close attention to the shifting lane changes. Motorists who do not need to travel this route are advised to take alternate routes.

The Department of Transportation is committed to “Keeping Baltimore moving safely now and in the future”.
